## pledge collection

**Kids (families & adults) may collect pledges from those who support their education at FLC, such as godparents and grandparents/family using enclosed form by March 25th.**

- for every \$100 collected, individuals will be entered into a drawing for the grand prize - a stay at Superior Shores timeshare, donated by Ann & Bob Niedringhaus!
- for every other pledge collected, kids will be entered into a drawing to win prizes, including gift certificates/merchandise from local businesses, such as the Great Lakes Aquarium, Duluth Playhouse, Zeitgeist Arts, Bridgemann's, Bookstore at Fitger's and more!
- perhaps you/your kids would like to send a letter/e-mail/call/share information in person describing the importance that education at FLC has in their life OR one thing they love about education at FLC/PPS OR simply sharing what the project is about through words or pictures  
-depending on the age of the child, you can help him/her with words or drawing/printing pictures that he/she can identify with
- Together, you may go to visit the space at FLC OR the Space to Grow website, [www.flcduluth.org/youth-family/space-to-grow/](http://www.flcduluth.org/youth-family/space-to-grow/), to print off additional information to share or simply direct people to the website. Be sure to check out the photos and video!  
retain top portion for future reference
